

**REMARKS**

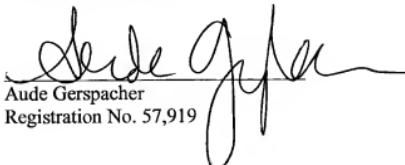

Claims 16-22 and 25-28 are pending in this application. By this amendment, applicants have amended claim 16 to better recite applicant's invention. Applicants thank the Examiner for her time and consideration during a telephone conference with applicants' undersigned attorney. During the telephone conference, the Examiner and the undersigned attorney discussed language that would overcome the rejection of the pending claims under 35 U.S.C. 112, first paragraph as set forth in the July 24, 2009 Office Action. Applicants explained that the previous amendment was meant to describe the "administration step" not the "composition of DHA" to be administered. The language set forth above in the amendment to claim 16 reflects this point as discussed with the Examiner. Accordingly, applicants respectfully request that the Examiner enter and consider this amendment.

**Rejection Under 35 USC § 112, First Paragraph**

The Examiner rejected claims 16-22 and 25-28 under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. In response, applicants have amended claim 16 as discussed with the Examiner during the above-mentioned telephone conference and maintain that the claim language of claim 16 as now recited overcomes this ground of rejection. Accordingly, applicants respectfully request that the Examiner reconsider and withdraw this ground of rejection.

Reconsideration and allowance of all the claims herein are respectfully requested.

Respectfully submitted,
